

**POLICY 3.5
Professional
Development**

Ratified at Board Meeting	22nd February 2018
Next Review Due	2021

RATIONALE:

On-going Professional Development will support the strategic goals and reflect the Special Character of the College. It will provide differentiated opportunities, supporting staff development, with the purpose of improving outcomes for students.

GUIDELINES:

1. Professional Development is in-keeping with Ministry of Education directives, current educational and Special Character practices.
2. Provision will be allocated for Professional Development in the annual budget.

PROCEDURES:

1. The Principal will regularly report to the Board on this provision for Professional Development.
