

## AQUINAS COLLEGE SPORT REPRESENTATIVE INFORMATION

**All information will contribute towards the administration of our Sports Awards.**

- Please provide information for all achievements between October 2017 – September 2018.
- This form can also be downloaded from the school website.
- **It is important that this form is returned to the Sports Office, by Wednesday 12<sup>th</sup> September.**

The judging panel do their best to understand the internal structures of the many sports organisations/codes our students are involved in. However, as sports codes vary in their processes for various selections of their teams/groups and which events teams compete at, it is really important that when you complete the columns you are placing information in the correct column/s.

We ask that your information is as accurate as possible – organisation names, team names, age groups, competitions/tournaments.

The following information is provided to give you guidance for completing the form.

### **AQUINAS COLLEGE:**

Representing the school at an event/competition/tournament means you registered/entered under Aquinas and wore an Aquinas playing uniform or alternative. For each Sporting Code, list the Aquinas College Teams/Groups you have represented for the school. Fill in as many spaces as you need. You will see there is a separate section for Athletics, Swimming and Cross Country.

If you were named as team co/vice/captain, please also indicate here. If you shared the role, provide name of other individual.

- Age group/division/grade/section
