Disciplinary Policy (Schedule Two)

The following is the College's current disciplinary policy for dealing with breaches of the Agreement. This is not intended to restrict the College's general power of discipline and this policy may be changed from time to time at the discretion of the College.

All students are required to adhere to the Aquinas College Policies and Procedures which cover domestic and international students enrolled in the College. They may be viewed at <https://www.aquinas.school.nz/board-of-trustees/>

Overview

- a) Except in serious situations where immediate termination of the Agreement is necessary, or where the breach does not call for any formal response other than a warning, the College will try, where appropriate, to follow a two-stage disciplinary process.
- b) In Stage One, the College will investigate and decide the facts, and will reach a conclusion on what happened and whether it amounts to a breach of the Agreement.
- c) In Stage Two, if the College has determined that a breach has occurred, the College will consider the appropriate response to that breach, up to and including termination of the Agreement.
- d) The Student will have an opportunity to provide a response to the alleged breach that the College is investigating (**the Allegation**) and any proposed disciplinary action that the College is considering taking (**the Proposed Action**).
- e) This policy does not limit the College's power to take appropriate disciplinary action urgently and without following this process if this is necessary having regard to the seriousness of the breach.
- f) This policy also does not limit the College's power to suspend the student for the duration of the disciplinary process where suspension is considered necessary for the safety or education of any person.

General Policy

- g) When the College is conducting a disciplinary process involving the Student it will aim to provide the Student with the following:
 - (a) a written summary of the Allegation or the Proposed Action;
 - (b) an opportunity to respond to the Allegation or the Proposed Action, either in person or in writing or both, at the choice of the Student;
 - (c) an opportunity to consider the Allegation or the Proposed Action for a reasonable period of time (keeping in mind the seriousness of the Allegation or the Proposed Action) before giving a response;
 - (d) an opportunity to contact his or her Parent before giving a response, unless the delay caused by contacting that person is unreasonable keeping in mind the seriousness of the Allegation or Proposed Action;
 - (e) an opportunity to have an independent support person of his or her choice present at any meeting relating to the disciplinary process;
 - (f) an opportunity to meet with that support person in private at any stage during the disciplinary process;
 - (g) an opportunity to have a translator present (or otherwise enable the student to participate in the process in his or her own language) during any meeting or process if the College or the Student considers that a language barrier means that a translator is required; and
 - (h) a copy of this policy setting out the rights which the Student has when engaging in the disciplinary process.

Disciplinary Procedure

Stage One: Incident Investigation

- h) When the College learns of any incident or any other thing that may be a breach of the Agreement or might otherwise require a disciplinary response, the College will notify the Student of the Allegation and will provide the Student with an opportunity to give a response.
- i) Where appropriate, keeping in mind the seriousness of the Allegation, the Student will have the opportunity to respond either in person or in writing or both, at the choice of the Student. The College will receive this response and give it genuine consideration before making a decision about the Allegation.
- j) When the College makes a decision about the Allegation it will inform the Student and parent, in writing if possible, about its conclusion as to what happened and whether it amounts to a breach of the Agreement.

Stage Two: Outcome Discussion

- k) If the College determines that a breach of the Agreement has occurred, it will inform the Student and parent of the possible disciplinary actions that it will consider taking in response to the breach and will provide the Student and parents with an opportunity to give a response.
