

# 2020 ACADEMIC HONOURS

To receive an Academic Honours Award, students need to have gained more than **56 Excellence Credits or Endorsement in three or more subjects.**

To gain an endorsement, students need to gain 12 or more Excellence credits in that subject. These criteria are slightly lower than in the past and have been adjusted to match the changed NCEA criteria for 2020 set by NZQA due to COVID. We also recognise the endorsements that our current Y12 students gained in accelerated Y10 classes.
